

SOLUTIONS TO PROTECT THE VALUE, PERFORMANCE  
AND PRODUCTIVITY OF YOUR VEHICLE OVER TIME.

**Tailor-made services**  
for your pre-owned vehicles.

## Smart Pack.

This pack is included in Stralis Model Year 2016 vehicles with connectivity box. It provides you with information about your vehicle and driver style through the following services:

- **Smart Report**
- **IVECO ON customer portal and App.**

# Enhanced connectivity and service. We take care of everything else.

Our connectivity services, available on Stralis MY2016, enable to be in full control of the truck, allowing you to operate effortlessly and efficiently by maximizing vehicle's uptime, fuel efficiency and Total Cost of Ownership (TCO).

Save money, improve your performance and simplify your work by choosing the solutions that best match to your needs.

## Premium Pack.

The Premium services, in addition to providing your vehicle information, guarantee a follow up on the data received by putting you in contact with IVECO experts, who will advise you on the best ways to evaluate and use it. You can choose the modular options you wish to add to your package:

- **Fleet management**
- **Professional fuel advising.**

# Smart Pack.

**Comprehensive vehicle monitoring**  
based on the information provided  
by a set of services.

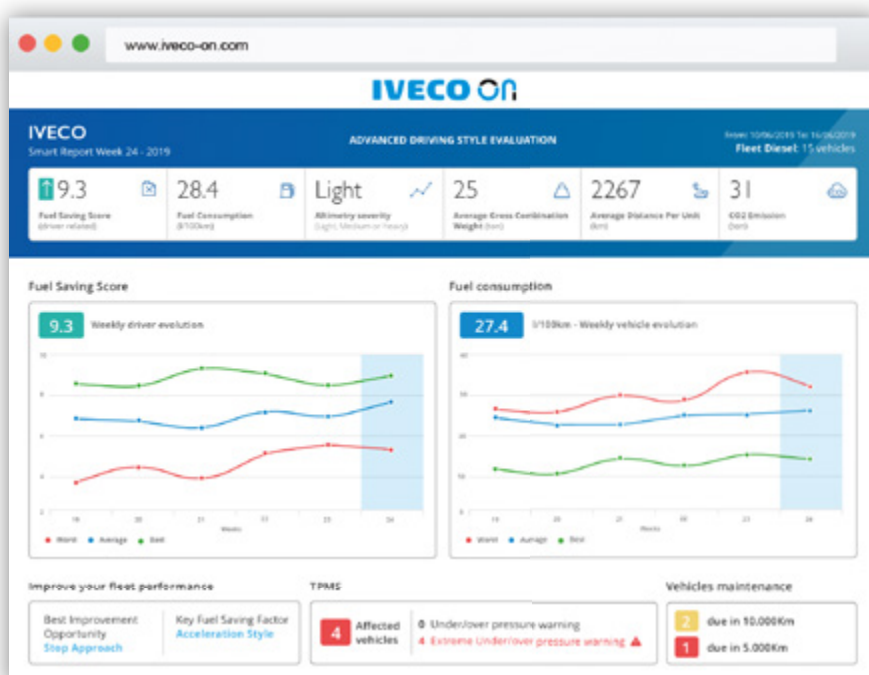

## Smart report.\*

The on-board Driving Style Evaluation (DSE) system generates weekly reports that are automatically sent to the Fleet Manager to provide:

- Data on fuel consumption parameters and driver's behavior monitored through the DSE algorithm
- Tyre Pressure Monitoring System
- Tips to improve the driving style for fuel consumption and vehicle optimization

It is possible to display both the overall results of the entire fleet and the details of each vehicle to get a better understanding of how to reduce fuel consumption.

\*SMART REPORT available on vehicles with opt. UTP Box + IVECONNECT

## IVECO ON app.

Google Play and App Store, provides the Fleet Manager and drivers with further information, such as:

- DSE score and comparison
- Fuel consumption trend and comparison
- CO<sub>2</sub> emissions
- Gross Combination Weight (GCW) average trend
- Average distance trend
- Mission difficulty score

The drivers' ranking section shows the Fleet drivers' ranking and lists the best, average and worst drivers.

Motivate drivers to be the best! The worst driver action plan is also available to help them improve the score.

# Premium Pack.

**On top of your vehicle's information,** you benefit from the consultancy of IVECO experts, who will advise you on how to improve your fleet's performance and efficiency.

Monitor Vehicles, Drivers and Deliveries;  
Distribute Dispatch Orders.  
Available on MY2016 with UTP box.

## **Fleet management** benefits.

- Improve vehicle visibility with geolocation intelligence
- Increase fleet administration capabilities through insights on driver's workdays (time on site, fuel and battery levels)
- Stay compliant by recording driver's activities (such as rest and driving hours) and downloading the remote tachograph
- Bi-directional messaging
- Receive advanced reports, monitoring the entire fleet and individual drivers
- Connect your team
- Get experts tips on how to improve your fleet performance and driver safety

## **Professional fuel advising.**

IVECO TCO Advisor will contact you quarterly to provide you with face-to-face consultancy and advice on how to reduce fuel consumption, based on the analysis of the technical parameters that have the biggest impact, such as tyre pressure, driver behavior (DSE, idling, speed, cruise control), vehicle malfunctions or, if applicable, the trailer.

# Your business never stops.

**IVECO Genuine Parts** represent the best guarantee of **safeguarding the value** over time, **protecting from unplanned downtime**, ensuring safety for people and goods. IVECO also offers the widest range of new and remanufactured components, servicing kits and telematics solutions, suitable for every stage of the new IVECO S-WAY's lifecycle. IVECO operates a network of 6 parts depots across Europe, covering over 335,000 sqm, managing 400,000 part numbers and guaranteeing 24/7 parts delivery.

**IVECO**  
**0080048326000**  
**Assistance Non-Stop**

The **IVECO Assistance Non-Stop** answers 24 hours a day, 7 days a week, providing assistance in 36 European countries to help Customers keep their vehicles on the road. In case of breakdown it can be reached through a phone call, using the IVECO Non-Stop App, using the telematic system on board.

The **IVECO Non-Stop App** can also be used to book in advance a repair work for your vehicle, not just in case of urgency. You can select the time window and the location and the App will give you a confirmation of the booking.

## **Always** by your side. Our technicians, your partners.

IVECO technicians are always ready to take care of your vehicle, with the unrivalled skill and expertise gained from working on IVECO vehicles every day. They use the same IVECO diagnostic instruments as the ones used to test the vehicles. Thanks to Teleservices, E.A.S.Y. and its accessories, remote assistance operations can be carried out with total effectiveness.
